

Media Specialist is March Employee of the Month

HAVERHILL -- Media Specialist Rich Porcelli first came to Whittier Regional Vocational Technical High School in 1997 as a long-term substitute teacher, and was thrilled to be hired full-time the following year.

“I got into teaching because I really like to work with high school students,” he said. “It is such a great feeling when you find a way to help a student learn something new.”

Mr. Porcelli is Whittier’s Employee of the Month for March. He teaches Media Production and enjoys studying television and film. “I like to watch documentaries and try to imagine what shots they are not showing or watch a film and look closely at the lighting and camera angles, but I also like to read.” In the summer he works at his brother’s garden center in Raymond, NH and plays golf whenever he gets the chance.

“I feel honored,” he said. “It’s great to be recognized as part of an outstanding staff.” He grew up in West Newbury and graduated from Pentucket Regional High School. He now lives in Plaistow, NH.
